## Notes for Competitors:

### Arriving at Gifford

Parking is alongside The Avenue as indicated on the town centre map. Additional parking is available in Tweeddale Avenue (left-hand side as you enter Gifford from the West). Strictly no parking in front of the Village Hall and Main Street.

Competitors must sign-on at least 20 minutes prior to the commencement of their event. Riders who have not completed sign-on will be withdrawn and reserve riders will be included in the field. This will be strictly enforced.

Reserve riders who entered via Entry Central have not had any payment taken. Should a reserve rider take place in the field they are required to pay £15 prior to signing on.

Please remember to bring your 2011 race licence with you. Failure to present a valid race licence will result in a Single Event Licence being required for Race B or a fine being payable for Race A. (If you recently applied for BC membership/licence please supply documentary evidence of this at sign-on e.g. e-mail to/from BC.)

Due to the size of the fields and limited toilets inside the hall, the Goblin Ha' Hotel toilets are available for competitors and officials. Entry is via the side entrance next to the Village Hall.

### Before the Start

Race numbers must be properly affixed, see diagram below, do not fold numbers. Body numbers must be visible at all times.

Junior gears will be checked by Phil Darby. All Juniors must have their gears checked before and after the event.

A team managers meeting will be held 45min before each event. Managers should contact the organiser for the meeting location.

Race briefings will be held at the Village Hall 10 minutes before the start of each event: attendance is compulsory. Assembly point for the start is in front of the Village Hall.

Competitors in Event A must not use the course for warming up while the Event B is in progress. Please use the B6355 heading towards Duns. Please be aware of other competitors, officials and public using the circuit.

### During The Race

**Event A** will be neutralised until Brounshill, 1 mile from Gifford. **Event B** will be neutralised for approximately 2.8 miles until after the sharp left-hand bend at the bottom of Cockles Brae (B6369).

Neutral service will be provided. Service is on the left hand side of the road and riders must stop. A rider should place a hand in the air when safe if service is required.

No wheels, no service. Competitors allocated an odd race number should bring a front wheel, those allocated an even race number a rear. Name on wheel please.

Riders who retire must report to the Chief Judge or Photo Finish operator to report a non-finish.

### After the Race

Presentations and food for Event B will be located in the Village Hall after the commencement of Event A.

Presentations and food for Event A will also be in the Village Hall.

### Enjoy your race.
